ASHTONLEIGH RESIDENTIAL AND NURSING HOME

With over 20 years experience, the management of Ashtonleigh Residential Home prides itself in offering a highly professional care service for the elderly, with a personal touch.

RESIDENTIAL CARE

When people have worked hard throughout their lives and have been committed to helping others, we think they deserve extra cherishing.

They need a home where individuality is emphasised with experienced staff who have time to give attention to small detail, where they have the choice of enjoying the company of like-minded fellow residents.

ENVIRONMENT

The home has 48 bedrooms mostly single rooms, many with en-suite facilities, with small selection of twin bedrooms for those residents who prefer to share.

There is a large reception welcoming you into the home and in addition there is a large lounge and separate dining room on the ground floor and a quiet lounge on the middle floor where residents can relax and read quietly.

ACTIVITIES

The home offers a wide and varied range of activities designed to encourage the residents to retain mobility and more importantly to keep an interest in daily living. The homes Matron Nicola Amber is able to co-ordinate in-house activities and hobbies. The activities follow seasonal events, celebrations or topical events.

The home provides entertainment and social gatherings each month with shows, and singers performing at the home. All residents are encouraged to participate with in-house activities so that any skills lost through illness for example may be regained and they can enjoy as full a life as possible. The decision to attend any activities is purely down to the resident and there is no pressure to participate.

FOOD

The Head Chef at Ashtonleigh has been with the home for more than fourteen years and prepares an extensive menu and cater for special diets, whether it is Diabetic, Gluten Free, Dairy Free, etc.

We encourage residents to come to the dining table every day, and glasses of wine, red or white, sherry or whiskey are offered to the residents if they wish to partake. If the residents prefer to have their meals in the rooms then we offer meals & drinks to them in their rooms.

STAFF TEAM

All staff within the home are qualified to deliver the highest standards of care. Gaj and Kathy Ragunathan the homes owners are experienced elderly care providers and strive to offer the best level of service and work closely with Nicola Ambler the homes manager who has more than 20 years experience in psychiatric nursing and is RMN qualified.

The home staffs are selected for their qualities of reliability, integrity, skill, friendliness, and professionalism.
